FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Economic Development - Division of Professional Registration** and the **Office of Administration - Administrative Hearing Commission** state that this proposed legislation will have no fiscal impact on their agencies.

Officials from the **Secretary of State's Office (SOS)** assumed the rules, regulations and forms issued by the Department of Economic Development, Division of Professional Registration, and the Missouri Dental Board could require as many as 18 pages in the *Code of State Regulations*. For any given rule, roughly half again as many pages are published in the *Missouri Register* as in the Code because cost statements, fiscal notes and the like are not repeated in the Code. These costs are estimated. The estimated cost of a page in the *Missouri Register* is \$23. The estimated cost of a page in the *Code of State Regulations* is \$27. The actual costs could be more or less the SOS's estimated cost of \$984 for FY 2003. The impact of this legislation in future years is unknown and depends upon the frequency and length of rules, filed, amended, rescinded or withdrawn.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

<u>FISCAL IMPACT - State Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

<u>FISCAL IMPACT - Local Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposed legislation allows the State Dental Board to establish diversion agreements with dentists and dental hygienists in lieu of disciplinary action. In a diversion agreement, a dentist or dental hygienist would be referred to the Dental Well-Being Committee.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
